Servicing

The service interval on all versions of Dacia Sandero is 1 year or 12,000 miles, whichever limit is reached first. Your local Dacia dealer is fully equipped to service your Dacia Sandero.

Warranty

Your new Dacia is covered by a standard 3 year / 60,000 mile* Warranty package. Under the terms of this Warranty, your Dacia dealer is able to repair or replace, without charge, parts that are found to have a material or assembly defect that is recognised by Dacia. Your new Dacia also comes with a 2 year paintwork warranty, as well as a 6 year anti-corrosion warranty.

Extended Warranty

At Dacia, we don't force you to pay a premium for a longer warranty if you don't want one, but we'll offer you the opportunity to purchase one if you do. By extending your warranty, you'll benefit from ongoing protection from mechanical and electrical failure after the standard manufacturer's warranty has expired. You can choose to extend your Warranty to the following levels:

- 5 years / 60,000 miles*
- 7 years / 100,000 miles*

Roadside Assistance

We don't expect it to happen, but we'll ensure help is on hand if it does. In the event of a breakdown, help is just a phone call away with Dacia Assistance. This service is provided 24 hours a day, 365 days a year. We'll provide prompt roadside assistance in the UK and Northern Ireland for the first 3 years / 60,000 miles*, in line with the terms of the standard manufacturer's Warranty.

* From first date of registration. Warranty expires on the first of the two limits reached.
